# B.S. in Criminal Justice Online Degree Completion

## Earn a Bachelor's Degree with SDSU@Southwestern College

### Flexible, Convenient, and Affordable

Pursuing a Bachelor of Science in Criminal Justice has just become more convenient. With SDSU@ Southwestern College, you can earn a valuable degree from San Diego State University without leaving the Southwestern College campus.

### Program Highlights

- Online courses ideal for busy working professionals
- A self-paced structure that gives you the ability to choose your course load
- Instructional assistance, such as in-person* discussions and coursework guidance, at Southwestern College, provided by SDSU
- Student support and academic advising services at Southwestern College, provided by SDSU
- Financial aid opportunities to assist with tuition costs
- Earn the same degree as SDSU's on-campus students: a B.S. in Criminal Justice with an optional Minor in Public Administration from SDSU

*In-person components are available virtually due to COVID-19 restrictions. Once restrictions are lifted and in-person education resumes at each site, these services will be provided at Southwestern College.

### Application Requirements

To be fully qualified for admission to the Bachelor of Science in Criminal Justice program, you should have 60 or more units (90 or more quarters) completed by the term prior to transfer. This includes completing 12 lower division preparation course units, as well as completing all lower division GE requirements with a grade of C- or higher. You should also have a 2.8+ GPA and satisfy all CSU requirements.

For application instructions, please visit **neverstoplearning.net/southwesterncollege**.

### Application Period

- Fall 2022: Oct. 1, 2021-June 3, 2022
