

San Diego is home to hundreds of charitable nonprofit organizations ranging from large educational institutions and hospitals to small startups. All of these organizations must compete for funding in an increasingly challenging funding environment. Effective grant proposal writing is one key component to securing funding.

Certificate Online Courses

Now online, this program teaches comprehensive grant writing, research, and proposals to secure grants. Learn the steps – from beginning to end – necessary to obtain grant funding for nonprofit organizations and tax-exempt institutions. Let us teach you how to construct a proposal that resonates and achieves results.

Who Should Attend

New grant writers and employees from nonprofit organizations, city and county governments, chambers of commerce, education (private and public), public health and social work organizations, as well as independent consultants and grant writers needing CEUs.

Courses

Introduction to Grants and Funding Research

This course focuses on finding grant funding for nonprofit organizations and tax-exempt institutions. The course prepares you for successfully researching funding prospects, interacting with those funders, and planning a grant proposal. We will explore why grants are funded, and what makes a prospective grantor interested in an organization and their grant proposal. You will also have an opportunity to develop a brief letter of inquiry proposal, receiving feedback and guidance on improving your request. The course will also guide you on creating a plan to track, manage, and plan your grant proposals.

Grant Proposal Development

This course prepares you to write winning grant proposals for nonprofit organizations or tax-exempt institutions. Learn how to develop a compelling, effective grant proposal, including the proposal narrative and budget. Find out how to effectively develop proposals in response to federal, state, and private foundation Requests for Proposals (RFPs). Learn how to make your grant proposal stand out. Practice writing elements of the proposal with support and guidance from an expert in the field. Review existing grant proposals, identifying their strengths, and weaknesses.
