"All of the course material, from conflict management to coaching, is immediately applicable to anyone in a management role. I have already begun incorporating the communication techniques discussed in the courses, and noticed an immediate improvement in the flow of communication from the people I supervise. I would highly recommend this course series." — Simon Holguin, Administrator, California Armenian Home

"Each course was taught by credible individuals who spoke not from theory, but from countless years of experience in each particular area of expertise. Completing the program brought new and invaluable insight and perspective on management and leadership that I'm confident with proper application (as instructed), will benefit me for years to come." — Ernesto Marcelo, IT Project Implementation/Entity Coordinator, Sharp HealthCare
