

B.S. in Computer Engineering Degree Completion Program

Please note that you need to take each class according to this schedule in order to complete the program and earn your degree in 5 semesters. However, you can take fewer courses per block and complete your degree at a more relaxed pace, depending on your personal schedule. Please connect with your Student Success Advisor to design a schedule that works for you.

	Fall 2022	Spring 2023	Summer 2023	Fall 2023	Spring 2024
	15 Units	12 Units	12 Units	12 Units	12 Units
