1. Log in with your SDSUid.
Once logged in you will see the MySDSU homepage
To view or register for your classes click on the Manage Classes tile.

2. You can view your current classes and register for new classes.
To Register for new classes click on Class Search and Enroll.
3. Select the Term in which you’d like to register for courses.

4. To search for a class, enter the course, subject, class, or topic and click enter.
   You can also click on Additional ways to search for more search options.

5. The Additional ways to search screen allow you to search by subject (Business), Catalog number (course number), or by the Instructor’s last name.
How to Enroll in Credit Courses Through my.SDSU

6. A list of classes will appear. Use the left side menu to filter by Campus or any of the available options.

7. You can select the class you wish to enroll in by clicking on the box or name.

8. The course and class information will be displayed.
9. To view more information about the class, click on the blue link below.

   ![Class information](image1)

10. A pop-up will appear with different tiles that contain specific information about the class.

   ![Class information](image2)

11. When you are ready, click on the class box to move on to the registration process.

   ![Class options](image3)

12. The first and second page will display the class. Once reviewed click on the Next button.

   ![Class search and enroll](image4)
13. To register select the enroll option then click Next.

14. Review the class and click Submit.

15. Click Yes if you are sure you want to register for the class.
16. Once submitted, a confirmation page will appear.

17. You will now see the class appear under the View My Classes page.
