

B.A. in Economics Online Degree Completion Program

A Diverse Degree for Today's Professionals

Developed by SDSU's renowned Department of Economics, the B.A. in Economics Online Degree Completion program is a diverse degree program at the intersection of mathematics and social science. You'll examine some of today's most pressing economic issues, while also working to develop your critical thinking and communication skills.

Upon graduation, you'll have earned a valuable degree and the in-demand skills that employers are looking for. Students go on to acquire entry- and mid-level positions in many fields, including:

- Business
- Financial Services
- Marketing
- Government and Public Policy
- Education
- Law
- Journalism
- Nonprofit and Social Services

Estimated Cost

\$20,943–\$32,220

Includes Fees

Min. Completion Time

2 Years

Course Format

Online

Program Highlights

- Fully online
- Courses taught by same instructors who teach on campus
- Forward-thinking curriculum driven by faculty research
- Personalized advising available throughout the program
- Earn the same degree as on-campus students, a Bachelor of Arts in Economics from San Diego State University

How to Apply

If you've satisfied all the necessary prerequisites for this degree completion program — including the minimum 60 undergraduate units needed to apply — you'll submit your application through Cal State Apply. Admission decisions will be initially based on self-reported information provided via Cal State Apply.
