Earn Your Bachelor’s in Child Development With SDSU

With SDSU@Grossmont College, you can finish your Child Development degree at SDSU without sacrificing your relationship with Grossmont College. This degree completion program will help you turn your passion for healthy childhood development into a rewarding career.

**Program Highlights**
- Two years
- Most courses are online — ideal for working professionals
- 120-hour hands-on* field experience with child and family service providers in San Diego and the surrounding area
- Experienced faculty from SDSU’s Department of Child and Family Development
- Instructional assistance, such as in-person* discussions and coursework guidance at Grossmont College, provided by SDSU
- Student support and academic advising services at Grossmont College, provided by SDSU
- Financial aid opportunities to assist with tuition costs
- Earn the same highly-respected degree as SDSU’s on-campus students

*In-person components are available virtually due to COVID-19 restrictions. Once restrictions are lifted and in-person education resumes at each site, these services will be provided on your community college campus.

**About the Program**
SDSU’s **B.S. in Child Development Degree Completion Program** is led by renowned faculty and lecturers from SDSU’s Department of Child and Family Development. This program is designed to help you understand the physical, cognitive, and social development of children in the context of families, communities, and culture. Course topics include community engagement, curriculum building, family violence and maltreatment, advocacy and public policy, early childhood education, and more.
