

Started in Imperial Valley? Earn Your Bachelor's Degree from SDSU

If you're a community college student in the Imperial Valley region, you can now earn a bachelor's degree from San Diego State University through our **SDSU Imperial Valley Degree Completion Programs**.

Program Highlights

- Online courses taught by tenured and tenure-tracked SDSU faculty
- A self-paced structure that gives you the ability to choose your course load
- On-site* instructional assistance, such as in-person discussions and coursework guidance at SDSU Imperial Valley provided by SDSU
- Student support and academic advising services at SDSU Imperial Valley provided by SDSU
- Earn the same bachelor's degree as all other SDSU on-campus students

*In-person components are available virtually due to COVID-19 restrictions. Once restrictions are lifted and in-person education resumes at each site, these services will be provided at SDSU Imperial Valley.

Choose Your Bachelor's Degree

B.S. in Child Development

SDSU's **B.S. in Child Development Degree Completion** program is led by renowned faculty and lecturers from SDSU's Department of Child and Family Development. This program is designed to help you understand the physical, cognitive, and social development of children in the context of families, communities, and culture.

2 Years | Mostly Online

B.S. in Business Administration

With a curriculum designed by the renowned SDSU Fowler College of Business, our **B.S. in Business Administration** program will help you gain a fundamental working knowledge of the business world. You'll learn about the issues businesses across multiple sectors face today. You'll also examine how the different components of a business work together to foster growth and success.
