All course enrollments are on a space-available basis. All students must complete the Global Campus Enrollment Process prior to Open University Course Registration. Waitlist, drops, and withdrawals must be done online. Registration, withdrawal or changes to enrollment after the Schedule Adjustment Deadline require petitions and documentations supporting extenuating circumstances. Please note while not all instructors will utilize the instructor-initiated drop, instructors have the authority to drop students for lack of prerequisites or non-attendance.

All Open University students are required to create an SDSUid. Students will receive the SDSUid activation email upon completion of the Global Campus Enrollment Process. Please allow 2-3 days for the process to be completed.

It is the student’s responsibility to manage their enrollment and payment of all tuition and associated fees.

*All refunds are subject to a $21 administrative fee plus ASB/student fees and will be deducted after first class session. 100% of the tuition, minus fees, will be refunded prior to the first class session. 65% of the tuition, minus fees, will be refunded until 25% of the course time has elapsed.

NOTE: Undergraduate students who have been disqualified from SDSU are not allowed to attend Open University or classes through the Global Campus special sessions until one year from the date of disqualification. Graduate students must wait one semester after disqualification.

Please be aware: Only 24 units of Open University credit may be applied toward an SDSU undergraduate degree. For graduate students, no more than 9 units of coursework taken in Open University prior to admission to an advanced degree or advanced certificate are acceptable for a program of study.
