

## Take SDSU Courses through Open University this Summer

Complete your degree. Get a jump start on college. Learn something new. San Diego State University's Open University program allows you to attend regular SDSU classes and earn credit, if space is still available after SDSU students have registered. Many courses are online, making Open University even more convenient.

### Open University Benefits a Variety of Potential Students

- High school graduates wanting to explore SDSU classes
- Students seeking acceptance into SDSU or needing to boost their GPA
- Students who missed the SDSU application deadline
- Working adults not currently in an SDSU program, looking to complete their degree, advance their career, or learn new skills
- Former students who need a certain course or credits to graduate
- Students who attend other universities and would like to earn transferable credits

### Registration Opens May 6 Classes are May 28–August 16

#### Find the Summer Schedule Here

1. Find your course(s) of interest. The column on the far right indicates the number of open seats.
2. Write down the schedule number of each course of interest.
3. Create an online account with the College of Extended Studies.
4. Click on Open University Registration to register and pay for your classes.

### Open Minds, Open Doors, Open University
