

Global Campus Partnership

Partner with SDSU Global Campus!

Are you ready to work with a supportive community of instructors and students who are passionate about learning? At SDSU Global Campus, you can tap into San Diego State University's world-class academic programming and work with a team of instructors, staff, and education experts who understand the challenges (and rewards) that come with continuing an education.

By working together, we can help our students reach their full potential and realize their career dreams.

We look forward to collaborating with you and your organization!

Partnership Opportunities

SDSU Global Campus works with a wide range of partners on a variety of projects, including:

- Customized Educational Programs and Courses
- International Programs
- Seminars and Presentations
- Meetings and Events

Study With a Purpose

SDSU Global Campus offers a wide range of affordable degree and certificate programs that are flexible and can be tailored to meet our students' individual educational needs and goals.

Concierge Student Services

Our comprehensive, concierge-style Student Services help ensure that our students have all the information and support they need to succeed in their academic journey.

Find a Passion

We offer dozens of degree programs and certificate offerings, and with dozens more in the works, we can find the right one for each student!

Supportive Instructors

SDSU Global Campus courses are taught by passionate, supportive instructors who want to see our students reach all their goals and succeed in their career.

Flexible Programs

With online and hybrid-style classes, our students can study on their schedule while keeping up with work, family, and other obligations. We're here to support them when they need us!
