Speech-Language Pathology Essentials

Earn Affordable Credit in Online SLP Courses Taught by Instructors from No. 1 Program in California

Getting prerequisites for a Speech Language Pathology graduate program is convenient and affordable with San Diego State University’s online Speech-Language Pathology Essentials program.

At only $345 per unit, the eight-week courses are taught by lecturers from SDSU’s Speech Language and Hearing Sciences department — ranked No. 1 in California and No. 24 in the nation by U.S. News & World Report.

Student Testimonial
“Though initially I was quite intimidated about taking my first online course … I instantly began to feel like I belonged to an intimate, close-knit community of members bound together by the shared motivation to learn, explore, and grow in the field of language and communication disorders.” — Olivia Collins
