

SDSU Teacher Induction Program

SDSU Teacher Induction Program

Clear Your Credentials in a Fully Online, 1:1 Mentoring Model

As a new educator holding a Preliminary California Teaching Credential, you can now clear your Multiple and Single Subject credentials in a fully online, one-on-one mentoring model program. Receive the support you need to develop critical skills under the guidance of an experienced mentor.

Individual Learning Plans (ILP) focus on self-identified goals and self-reflection, and are evidenced through video recordings, and online learning forums. Candidates may teach in public, private, charter, or international schools with diverse populations.

This two-year program is designed around the California Standards for the Teaching Profession and the immediate classroom needs of teachers. It is also fully aligned with the new standards for teacher induction programs that were released by the California Commission on Teacher Credentialing in 2016.

**Spring 2019 Application
Deadline: Dec. 17**

For more information, email Christie Pearson at cpearson@sdsu.edu, call (619) 594-1763, or visit neverstoplearning.net/teacher-induction.

"I got the benefit of earning upper-division credits, which gave me a salary increase, at the same time as earning my clear credential. SDSU's Teacher Induction program is FAR better than BTSA. You earn more credits and it's

extremely engaging."

— Ruth Altman, Ivey Ranch Elementary, Oceanside, Calif.

"Clearing my credential through SDSU's Teacher Induction program was an amazing experience. Professors were easily accessible and the assignments all benefitted me as an educator and my students."

— Ebony Virgle, Sweetwater Union High School District, Chula Vista, Calif.

"I recommend SDSU's Teacher Induction program to anyone who will listen! I nearly lost my credential because I could not get hired by a district that offered BTSA. SDSU was a godsend for me."

— Dominique Chastain, FIELD – EPIC de Cesar Chavez High School; Gridley, Calif.
