

Take the GRE, GMAT, LSAT, or CBEST With Confidence and Solid Strategies

For more than 28 years, students have been maximizing their test-taking potential with Test Prep courses at SDSU's College of Extended Studies. You'll learn important strategies, expectations, and content information about exams that are critical to the next step of your academic career.

All Test Prep Sessions Are on Saturdays | 9 am–3 pm

Instructors

The courses are taught by outstanding, fully credentialed instructors from BTPS Testing, many of whom have authored books on their topics of expertise. Read their bios at neverstoplearning.net/testprep.

Duration

Each session offers 20–22 hours of instruction and important in-class practice testing, plus take-home online practice testing.

Textbooks

Books and materials for each course are included in the course fee. The *CliffsNotes Test Prep* books are written by BTPS Testing.

Free Repeat Policy

Repeat a course as often as you like. Save your proof of initial registration and payment, and reregister before the class begins to ensure there's still space.

The exam fee is separate from the Test Prep fee. Course dates are subject to change. Check the website for the most current information:
