

Accelerate Your Graduation: Winter Session is Dec. 19–Jan. 15

With Winter Session 2020, students can accelerate their graduation with courses that count towards their degree. This intensive session takes place between the Fall 2019 and Spring 2020 semesters and offers a select number of courses from the university's degree programs and general education electives.

Students can explore new interests, accelerate their path to graduation, or restart their academic career. The program is an expanded version of our pilot program from last year. Key differences include:

- 15 instructional days, compared with 11 days during the 2019 program
- Nine additional weekend and holiday days to access course materials
- Renewed emphasis on fully online courses
