The federal Workforce Innovation and Opportunity Act (WIOA) helps you find a job or train for a new career. Here's how it works:

- All adults, age 18 or older, are eligible to receive services if approved.
- Approved programs are complimentary to approved clients.
- America's Job Centers of California provide services locally. The center near you will determine if you're eligible to receive financial assistance for training from a provider. There are six locations near SDSU.
- To be eligible for the dislocated worker program, you must have received a lay-off notice or have been laid off due to a company closure or mass layoff. You may also be eligible if you're unemployed and unlikely to return to your prior occupation due to economic conditions in that industry.
